**Sir:**

Applicants agree that the limitations recited in the Examiner's Reasons for Allowance are not taught or suggested by the art of record, and that the allowed independent claims are distinguished from the cited prior art for at least the reasons stated in the Reasons for Allowance, which are sufficient for allowance of all claims. Applicants do not concede that the stated reasons are the only grounds for patentability of the allowed claims, that the limitations excluded from the Reasons for Allowance are taught or suggested by the art of record, or that all the limitations are necessary for patentability of the allowed claims or other claims directed to the disclosed subject matter.

Respectfully submitted,

Laurent Blonde et al
